

## NORDIC HUSKY FARM SLED DOG TOURS AND ADVENTURES

### Husky Visit and Adventure Walk

Come visit our friendly happy huskies and learn how long distance racing sled dog athletes live, what do they eat, how their health care looks like and what kind of unique equipment and logistics go into this lifestyle 😊

You are most welcome to take pictures and cuddle with the dogs, and when we have puppies, enjoy this extra special experience of meeting them.

We will harness a few chosen dogs and take them for a walk to our local mini island, into the meadows and along the shores of mighty Vattudalen lake.

Cup of fresh coffee or Katerina's speciality - wild herbal tea - will await you upon return from the Husky Walk.
